ADVANCED SUTURING TECHNIQUES IN LAPAROSCOPIC GYNECOLOGICAL SURGERY

3 Days Course with Intensive Hands-on Workshop & Live Surgery

COURSE DIRECTORS:

COURSE DESCRIPTION:

One of the most critical and difficult acts in laparoscopic surgery is the knot-tying and suturing techniques. The knots performed laparoscopically must be as safe as the ones performed traditionally.

Over the 2 levels of suturing course (BASIC & ADVANCED), the faculty will give a comprehensive overview of the different techniques of suturing including intra and extra corporal knots and provide you with practical tips to improve your skills.

With 40% theory and 60% practice for clinical application, this master classes will give you the opportunity to put knowledge into practice and increase your mastery of suturing technique.

PRE-REQUISITES FOR THE ADVANCED COURSE:

Please make sure to have taken either of the following:

- Validated level 1 of GESEA
- Did a Basic Online Suturing Course
- Did an onsite Suturing Course / Dubai Academy Site

or contact us to evaluate if you are qualified to register. If you are not qualified based on the above list, you may attend the Basic Course instead.
